

FEBRUARY 2024 NEWSLETTER

Happy Valentine's Day!

If you have a spouse residing at Fairfield Park and would like to have a romantic "Sweetheart Lunch" this Valentine's Day on February 14th at 12:00PM please RSVP to Ricki Haddon, Director of Activation, by February 12th. Spouses please feel free to stay for the musical entertainment taking place at 2:00pm to serenade your loved one!

We have exciting news!! We are excited to announce that Dr. Andrew Su will be joining us effective February 12th! We will be making calls in the beginning of February to let families know if their loved one will be switched over to his care and answer any questions you may have

Translation and Interpretation Resources are available to residents and families of Fairfield. If you or a family member wishes to utilize this resource please reach out to the Activities department for more information.

Friendly reminder to ensure that all new clothing that is being brought in for residents needs to be labeled first! Thank you!

If family members have any comments or concerns about the new catheter totes that have been implemented throughout the home for residents using catheters, please reach out to Maryellen Konecny.
